INDIA CSR & SUSTAINABILITY CONFERENCE AND AWARDS 2025

A noble initiative of FKCCI aimed at recognizing and honoring outstanding contributions in the fields of social and environmental responsibility by corporates, public sector undertakings (PSU's), institutions, MSME's and non-profit organizations in India.

ABOUT INDIA CSR & SUSTAINABILITY CONFERENCE AND AWARDS

FKCCI's India CSR & Sustainability Conference and Awards 2025 is a premier platform to recognize and celebrate organizations demonstrating exceptional commitment to responsible business practices and sustainable development. These awards aim to honor impactful initiatives in areas such as education, healthcare, environment, livelihood generation, and inclusive growth, with a focus on aligning corporate efforts with national priorities and the UN Sustainable Development Goals (SDGs). By showcasing best practices, innovations, and measurable social impact, the event encourages more organizations to integrate sustainability into their core strategy.

The accompanying conference will serve as a hub for thought leadership, collaboration, and policy dialogue. Featuring keynote addresses, panel discussions, and knowledge-sharing sessions, it will bring together CSR & ESG leaders, policymakers, NGOs, and industry experts to explore emerging trends, challenges, and opportunities in the CSR and ESG landscape. The event is designed to inspire collective action, foster meaningful partnerships, and drive long-term, inclusive impact for communities and the environment.

OBJECTIVE

The objective of the noble initiative of FKCCI in organizing the India CSR & Sustainability Conference and Awards 2025 is to recognize and promote excellence in corporate social responsibility and sustainability practices across the state. The initiative aims to spotlight organizations like Corporates, PSU's, MSME's, and NGO's that have gone beyond compliance to create meaningful social and environmental impact. By acknowledging such efforts, the event seeks to encourage wider adoption of responsible practices, foster innovation in CSR & Sustainability implementation, and inspire a culture of accountability and purpose-driven leadership.

Additionally, the conference aspires to serve as a vibrant platform for dialogue, collaboration, and knowledge exchange among key stakeholders including industry leaders, government bodies, civil society, and academia. It will focus on addressing pressing development challenges, aligning CSR & Sustainability strategies with state and national priorities, and facilitating partnerships that can scale impact. Ultimately, the event aims to position India as a model country for inclusive, sustainable, and socially responsible growth.

ELIGIBILITY CRITERIA FOR AWARD APPLICATION

All Corporates, PSU's, NGO's, MSME's and Institutes who contributed towards social and Environment activities are eligible for Corporate Social Responsibility (CSR) & Sustainability Awards.

ABOUT FKCCI

Federation of Karnataka Chambers of Commerce & Industry (FKCCI), a distinguished organization with a legacy spanning 109 years, was founded by the illustrious Bharata Ratna Sir. M. Visvesvaraya, renowned for his engineering prowess, visionary leadership, and remarkable contributions to institution & nation building. Over the past century & more, FKCCI has been guided by distinguished industrialists, solidifying its position as the apex organization for industry, trade, and service sectors in Karnataka. Since its inception, FKCCI has been committed to promoting state & national interests through fostering economic growth, both through public and private sector initiatives, and actively influencing policy-making at State and Central levels. The FKCCI's membership base, representing diverse sectors of industry, trade, and services, underscores its widespread influence. FKCCI actively engages in discussions with international trade entities, furthering opportunities for Karnataka's industries on the global stage.
